Dear Valued Community Member,

Something amazing is about to happen! Students from Winston Churchill School, in grades 4-6, are about to show the world the businesses they own.

They have been working hard for over a month, planning, and preparing. On **Wednesday, April 3rd, at the Fairfield Recreation Center**, they will be nervously setting up their product displays and mentally rehearsing their sales pitches while waiting for their customers to arrive.

Imagine the room. A flea market set up. Eighty kids behind tables of products that they made and are selling. They are their own bosses. They have made their own decisions. They are eager to meet the public.

To kick off the marketplace, we will be having a “Ribbon-Cutting” ceremony at **6:20 pm**. **We would be honored if you could attend this event and be there as we cut the official ribbon, signifying the opening of the TREP\$™ Marketplace.** We have invited the local newspapers and other news outlets to make sure that we capture the excitement!

Thank you for considering this invitation. We hope to see you at our Marketplace!

Sincerely,

The TREP\$ Leadership Team

Mrs. DeSordi, Mrs. Kirk, Mrs. Malinowski and Ms. Tirrell
